93.24 % of respondents said they would recommend Leman Academy to friends and family

Recommend Leman Academy to Your Friends and Family

Successes:

- Overall majority of comments were positive indicating they would or already have recommended Leman for friends and family
- Increased Enrollment

Opportunity

- Educate parents on school's mission and philosophy
- Re-establish and build strong relationships not only with scholars but with families as well

Communication

Successes:

- In general , comments were positive around school communication
- Positive comments regarding the Remind App
- Newsletter and Starla’s emails primary source of general school info

Opportunity

- Limit social media as major information source
- Ensure changes in information reflected on all platforms

Barriers to being more involved in the PTO

Work schedule and family responsibilities primary obstacle to involvement

COVID restrictions also a factor

Homework

Successes:

- Large percentage of respondents indicate homework is aligned with handbook

Opportunity

- Consistency
- Support for parents

What does Leman do well?

- Curriculum
- Mission, virtues, values, and classical education
- Caring staff
- High educational standards
- In person learning

Recommendation

Board Recommendation

- Improved lunch options

Staff Recommendation

- Reestablish and build relationships
- Opportunities for parents to connect with not only teachers, but other parents

SAC Recommendation

- Improve visibility and involvement
- Track survey results over time
