Dear Leman Academy School Board,

I would like to respectfully resign from my position on the Leman Academy of Excellence school board.

I have thoroughly appreciated and enjoyed the opportunity to serve with all of you during this initial building period of the Leman Academy in Parker, Colo. I am very grateful to have been part of a team so dedicated to the education and community spirit of growth for these fortunate students and families.

I offer my best wishes for continued success.

Sincerely,

Dana Knauff
