- With Leman moving to all in person for the 2nd semester, Dr. Edwards and his staff are reaching out individually to these parents/guardians who still desire remote learning to ensure they are connected to the resources they need to continue remote learning for the 2nd semester.

5. PTO proposal on parent volunteer hours –

- Marianne Highley provided information regarding the volunteer initiative being put forth by the PTO
- The objective would be to increase volunteers at Leman and promote the positive impact volunteering has
- The goal would be to set a challenge for each family to volunteer 5 hours
- The PTO is working on setting up volunteer platform in which parents can easily sign up for volunteer opportunities. This platform would also record volunteer hours.
- Currently, the committee did not see a need for changing school policy.

- A standalone document could be created to encourage parent volunteering and provide information on the sign-up platform.
