

Leman Campus: Parker
Principal: Jason Edwards
Date: 3/8/2022

REPORT

Current Enrollment for 2021-2022: 1,082

Projected Enrollment for 2022-2023: 1,150

Personnel/Staff Hiring Needs: internal candidate being promoted to Vice Principal (Bridget D'Arcy is stepping away from work outside of the home), 2 math teachers need, 4 Elementary teachers needed, 3 more Middle School teachers needed.

Community: voted Leman Academy the best charter school in Parker for the fourth consecutive year (every year since we opened!). 500 on the waitlist for this campus. 1,000 scholars names on the list for a second campus in this area to open in 2024, if possible.

Future Special Events: 8th Grade etiquette Dinner & Dance, Commencement, Scholar Senators leading House assemblies that they planed to teach all of the scholars in their House the virtue they identified as strategic.

Highlights: Battle Reenactment! (see picture below)

Problems/Challenges/Opportunities: It is extremely hard to retain good Middle School math teachers. We have a strong leadership pipeline with 8 teachers receiving stipends to also serve as instructional coaches and one team shepherd per grade level.

Future Planning: Replication seems like a real possibility with good odds right now.
