G. Points Based Grading Policy

Leman Academy of Excellence will be using a Points Based Grading System. For the points-based system, each homework, class assignment, test, quiz, etc... will be given a point value. The scholar will earn their final grade in a core subject based on the amount of points earned through the course of the quarter up against the total amount of points possible. For example, if a scholar earned 900 points out of 1,000 possible points, then that scholar's final grade is 90%.

Sport Eligibility

3. Eligibility requirements are met (having a passing grade of 65% in each core subject)

Please go to Pages 60-61... We are adding the following to the handbook... Personal Electronic Devices Policy...

Personal Electronic Devices Policy

Scholar cell phones are to be turned off and stored in a scholar's backpack (Elementary School, Grades K-5) and/or locker (Middle School, Grades 6-8) when they arrive at school. Scholars may use their cell phones only with permission from, and in the presence of an adult. If a scholar is observed using a cell phone without permission, the cell phone will be confiscated and turned into the front office. Scholars will be able to pick up the cell phone themselves after the 1st time a cell phone is confiscated. Parents/guardians will be required to pick up a scholar's cell phone after any further confiscations.

Scholars may bring laptops or tablets to school with teacher permission for academic purposes only. Again, devices must be stored safely in a scholar's backpack or locker. If a scholar is observed using the laptop/tablet inappropriately, the device will be confiscated and a parent/guardian will be responsible for picking the device up from the front office.

Leman Academy will provide a form to be signed by both the scholar and the parent/guardian. By signing, a scholar is acknowledging and agreeing to respect the personal electronic devices policy, and to take responsibility for bringing a personal electronic device to school. Leman Academy staff will not be held responsible for damaged, lost, stolen, or broken personal scholar devices. If a scholar chooses to bring their personal device to school, they are responsible for the device at all times.

DRESS CODE... Starts on Page 52... Please write the following for each section...
