**APPROVED:** January 9, 2026 Special Board Meeting Minutes

Mrs. McLaughlin and Dr. Edwards introduced the DSCD representatives Danelle Hiatt, Gordon Mosher, and Jonathan (Jonny) Grusing to discuss DCDS Security within the two campuses. A robust and collaborative conversation ensued and Mr. Grusing provided feedback that should the LCS Governing Board choose to increase security, that the security person should still be integrated within DCSD and Parker Police for each campus' jurisdictions and not a private security company. The LCS Board is actively exploring a full time School Resource Officer (SRO) at each campus and the expenses related to a full time SRO and the conversation with DCSD provided additional information and context. The recommendation is to have a fully integrated team with staff, mental health and SRO for a holistic approach to safety for scholars.

Due to an oversight on the agenda, the second readings of the following policies was missed and therefore will be deferred to the next scheduled LCS Board Meeting.

Mrs. McLaughlin provided a brief Board President Report noting that final items are underway with the Bayou Gulch campus for full Certificate of Occupancy. Additional items shared included that the second semester for both campuses are off to a very good start and we are working towards our second "State of the School" presentations for parents, guardians, teachers and staff in the upcoming months. Finally, management provided DCDS with revised budget earlier this week and the schools passed a recent audit with no issues and regained the Stable Rating from Moodys.

Dr. Edwards then provided a brief Head of Schools report including status updates regarding the annual survey that will be sent out in the coming weeks along with enrollment updates for both campuses.

Mrs. McLaughlin made a motion to adjourn the meeting at 7:10 pm. Ms. Hostin Seconded. There was no opposition. Meeting adjourned at 7:10pm.
