- Transportation is not provided by the school

We can have between 1-3 teams for sports. This is dependent on how many scholars try-out

- A team games will play at 4:15
- B team games will play at 5:15
- C team games will play at 6:15
- Team cuts can be made for each sport. We will notify you via email if your scholar did not make a team.
- 8th graders may only be placed on the A or B team. C team will be 6th or 7th only
- If there is insufficient scholar interest in a sport, the sport may not be offered

Jerseys will be loaned to the scholar. A \$100 fee will be added to your MySchoolBucks account for non-returned uniforms or for damaged uniforms

Sports fees will be \$170. This pays for referees, equipment, and coach stipends

- Our Leman sports program operates as a non-profit, meaning all fees directly support the program's expenses. Sports fees will be added to your My School Bucks account
- Please note that once your scholar has committed and been placed on a team, these fees are non-refundable. This is because teams are finalized, coaches are hired, and referees are scheduled based on the number of scholars committed

An up-to-date physical must be on file to participate in practices and games. It must be in date and signed by a medical professional

Scholar-athletes. All grades must be at a C or above. If a grade falls below this requirement then the player will be ineligible for the next game until it is back up

*****Your scholar's health and safety are of utmost importance to us. Therefore, in order for your scholar to participate in any of the athletic programs this year, they must have a current Sports Physical Form on file with our health office or sports department. This is required before they can partake in any practice/games. Please note that the sports physical form requires a signature from a Health Care Provider and not expired***.**
