Subject: Introduction to Leman Academy's district waiver requests
Date: June 21, 2018

The Leman Classical School Board of Directors have diligently worked to draft, discuss, and approve further replacement policies, which can be found on our school's website along with the Leman Academy of Excellence Family Handbook for the 2018-2019 school year.

Under the direction of Douglas County School District (DCSD) staff, Leman Academy of Excellence's state waiver requests were submitted to the Colorado Board of Education office on May 31, 2018. Our waiver requests received unanimous approval by the state on June 13, 2018. The attached district waiver request documents are submitted here for convenience, as the State and District waivers are a tandem process.

Leman Academy of Excellence is eager to cultivate a collaborative relationship that allows us to service our scholars very well, according to our unique mission. We would like to warmly invite you, along with Superintendent Dr. Tucker, and DCSD staff, to join us for a ribbon-cutting ceremony at 3:00 p.m. on Sunday, July 29th. Also, it would be a pleasure to give you a VIP tour of our school in operation, servicing over 500 scholars beginning August 9th. We are proud and honored to offer one more public-school choice for families in this district; we hope to have the opportunity to host you at our new facility during this upcoming school year.

In the meantime, we sincerely thank you for your time, energy, and support in reviewing the attached waiver request documents and their corresponding replacement rationales.
