Finally, I would like to extend my sincerest appreciation for your patience, understanding and support throughout this period of time, especially in the weeks to come as we look to partner together to continue our educational program for the benefit of your scholar(s). The health and safety of our Leman scholars is of the utmost importance, and we will do our best to continue partnering with you in these upcoming weeks to make every effort to provide a continued education for your scholar through a remote learning plan.
