

March 14, 2020

Dear Leman Academy of Excellence Preschool and Afterbell Community,

In an effort to help prevent the spread of COVID-19 (Coronavirus), Leman Academy of Excellence will not be offering Spring Break Camp at our Afterbell and Preschool Programs for March 16-20, 2020

We will continue to remain in contact with the Arizona Department of Health Services, and we will keep you updated with new information as it becomes available.

We are facing an unprecedented public health crisis in our community. The decision to close was extremely difficult, made in consultation with our Governing Board and out of an abundance of caution for our families. We know that closing our programs will have a significant impact on our families, but we also believe that strong, urgent action must be taken to prevent the spread of this disease and to protect lives.

During the closure, we will continue to do deep cleanings of the building with recommended disinfectants. We encourage the community to continue hand washing and follow other recommendations from the CDC about how to avoid the spread of illness.

Our goal is always to protect the safety, health and wellness of our scholars, staff, and families. Our strength as a community is our greatest asset. We can work together to protect each other and slow the progression of COVID-19.

Please continue to check your email and the Leman Academy of Excellence website for updates. We thank you for your support and partnership in this effort.

Sincerely,

Katherine Determan
CEO, Leman Academy of Excellence
