As Leman Academy moves forward and as more tests are taken and results reported, Leman Academy can begin looking at other data points for scholar and school reporting.

Professor David Towne addressed the SAC attendees regarding school performance, enrichment opportunities for students, such as the Washington DC trip, and overall teacher/scholar/parent academic and personal engagement.

Pat Propp provided a PTO overview with financial results as a result of the Fall Festival, King Soopers and other fundraising events. Teacher supplies/additional classroom and school needs are being purchased with a portion of the PTO funds.

Meeting was adjourned at 8:31 am.
