

LEMAN ACADEMY OF EXCELLENCE
PROPOSED FEE SCHEDULE
2018 / 2019 SCHOOL YEAR

The proposed fees presented below are given in a range for three reasons: 1) in our first year of operation, we do not have an operational history on which to base actual fees; 2) there is an expectation that processing some fees will cause the school to incur a small administrative expense and 3) from grade to grade, fees will not be the same (field trips are a good example of this). The general intent is to pass actual expenses through to parents and include administrative fees if / when necessary. Our goal is to keep prices as low as possible, while working with limited information and protecting the school's fiscal responsibility. A range of fees will prevent Lemman Academy from incurring a deficit for any given aspect of programming.

Proposed Fee Schedule:

- Music and Art Fee: \$20-40
- Academic Consumables: \$20 - \$40
- Technology Fee: \$20-120
- Field Trips: \$30-60
- Victorian Ball: \$40 - 60
